

Brentfield Primary School
Children of Today, Champions for Tomorrow

Dear Parents and Carers,

I have some information about an Easter Holiday camp at Salisbury for children aged 5-11!

The places are fully funded HAF for children at Fresh Arts Easter Camp, Brent.

These sessions are taking place from Tuesday 2nd April - Friday 5th April, from 9:00AM - 3:00PM and lunch is included for HAF funded children.

Families who are eligible for this funding are those whose children are entitled to free school meals. Places are funded at no cost to the parents who are in receipt of benefits such as universal credit (among others). Parents & carers must also live in the borough of the camp you are booking your child onto.

'We have FUN and EXCITING Performing Arts Camps that we run during the holidays every year! Children enjoy each day with speech & drama, dance & movement, singing & music, Arts & Crafts and outdoor sporting activities. Our theme this year will be healthy living. Every year children comment, "that the camp was the best fun that they had all year". They will participate in all the above activities each day which are structured into our daily session plans! The children will also be split into teams in which they will bond with those children throughout the camps to win points and prizes at the end of each day.

We have taken great care with our risk assessments and worked alongside the school to create the safest way to run our camps. We will always endeavour for our groups to spend a lot of time outside as well as in the halls doing different activities, weather permitting.'

If you are interested in this opportunity here is the link to sign up:
