How Parents Can Help

PE is on **Thursday and Friday**.

One class will go swimming on a Thursday each term.

Please ensure your child has a **water bottle** and that all of their **uniform** is labelled.

Encourage your children to deepen their times table knowledge (**TRockstars**) and strengthen their reading skills and vocabulary.

Ensure your children complete home learning. This will be set on a Friday and should be returned the following Tuesday.

MATHEMATICS

- This term, children will be looking at decimals and percentages and converting between the two.
- Children will learn how to solve the perimeter and area of different shapes.
- Children will begin working with statistics while reading and presenting graphs.

COMPUTING

Database

- Children will search for information in a database, children will contribute to a collaborative database before creating one of their own and then write questions for their peers to answer.

RE

- Children will learn about Christianity
- They will learn of the death and resurrection of Jesus and why it is important to Christians

ENGLISH

- This term children will be studying 'Street Child'. They will be producing a narrative from a different point of view
- They will also produce a non-chronological report on Victorian Schools.

PHYSICAL DEVELOPMENT

- This term, children will be developing skills in Dances from different cultures.
- One class will also take part in swimming lessons.

TOPIC

- In History, the children will be learning about The Spread of Christianity in three Empires (300 – 600CE).
- In DT, children will be exploring Food Technology and create their own balanced snack.
- In Geography children will be learning about Tourism and it's positive and negative impacts.

SCIENCE

- This term, children will learn about living things and their habitats.

PSHE and RSE

- During PSHE and iSPACE sessions, the children will be visiting Planet Resilience and reflecting on how to support ourselves.
- Children will also begin to explore road safety

SPANISH

- The children will be learning how to discuss the Romans in Spanish
